

Executive Committee Endorsement Form

The National Youth Involvement Board (NYIB) is a nationwide, volunteer-led network of credit union educators and marketers committed to youth outreach. NYIB volunteers include a delegate from each state, a liaison from each league, individuals who report classroom presentations, members of state youth involvement and youth advisory boards, and hundreds of enthusiastic credit union volunteers and professionals.

The NYIB annually elects a volunteer Executive Committee consisting of six regional coordinators and a chairperson. The chairperson serves a one-year term and regional coordinators serve two-year terms, with election of northern and southern regions in alternating years. Duties of the NYIB chairman and regional coordinators are available from any executive committee member.
